Alumni & Parents Weekend

This year's Back to Bates weekend was met with beautiful sunny weather. Parents and alumni were treated to athletic exhibitions by the football, field hockey, and soccer teams. The early fall foliage of October 13th to 15th gave guests an opportunity to see what life in Maine is really all about. It was great to see Bates alums coming back to visit their almamater. Parents too enjoyed some quality family time.

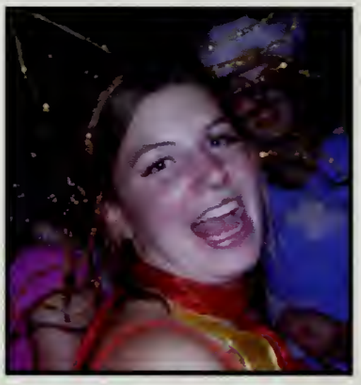
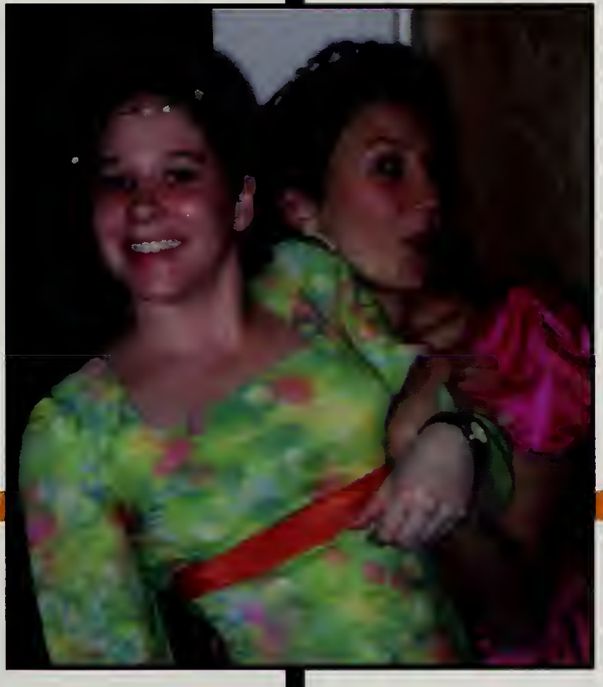
TIMBLAND

halloween

trick or treat

Halloween again was one of the most celebrated events on campus. Festivites began with dinner, where commons workers dressed up as ghouls and goblins. Students decked themselves out as everything from the standard angels to more elaborate outfits. The Gray Cage was host once again to the video dance screen as students partied the night away in one of the most attended bashes thrown by the college. What else could be said about a dance that challenges students to come up with the most show stopping costumes that they could think of?





harvest dinner

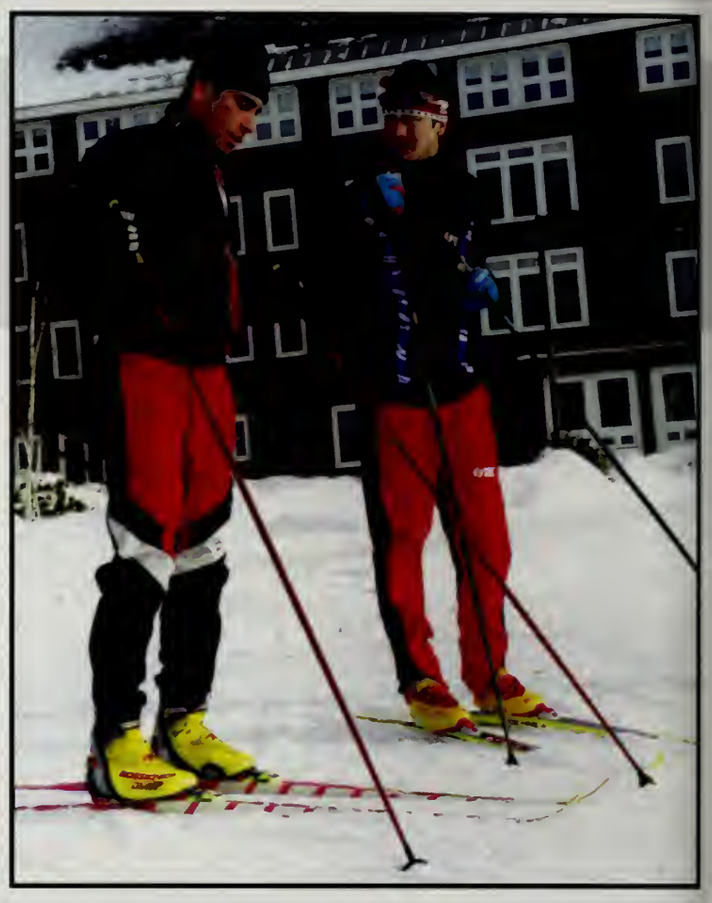
Ahoy all Bobcats!

The H.M.S. Bobcat sailed once again this year as Commons dazzled us with all the Thanksgiving fixings that one could ask for. Harvest dinner wouldn't be the same without violin and accordian musicians and the barber shop quartet. Guests dined on turkey upstairs and were treated to amazing desserts down in the Den. The lucky people that waited in line long enough got to get their picture taken with captain Paul Begin in his sailor's uniform. The H.M.S. Bobcat and her capable Bates dining crew were put to the test to satisfy hundreds of hungry college students, and they performed their duties well.

snow days

winter fun

In one of the harshest winters in recent years, Bates College spent the majority of the semester buried under multiple feet of powder. Winter carnival with this year's L/A Arts film festival theme kicked off the season of winter activities. The annual St. Patrick's Day puddle jump was a resounding success as many Bates students plunged feet first into the icy cold water. While dealing with piles of snow and ice around campus was unpleasant for some, it was heaven for the avid skiiers trying to make the most out of their passes. The cold certainly did not keep people from going out and having a good time in traditional Bates fashion.



PHILLIS

all-college gala

Hooray for Hollywood

Students, faculty, and staff dressed in finery fit for the stars for the elevanth annual All-College Gala. Scarlett O'Hara, James Bond, and other Hollywood personalities served guests a wide variety of delicious snacks ranging from sushi to chocolate-tuxedoed strawberries. The Crosstones opened the evening's entertainment, followed by the Dorsey Brothers Orchestra, inspiring ballroom enthusiasts to strut their stuff on the floor of the Gray Cage. Alumni Gymnasium saw a more upbeat party as guests grooved to the tunes of King Chango. You couldn't help but feel that real movie stars could walk through the doors at anytime.

short term

fun in the sun

Short Term 2001 began with a blast - of heat! Several 90 degree days began the five weeks of fun - a welcome change from the cold weather which lasted into early April. Although the temperature did cool off, the good times did not. Barbeques, frisbee games IM softball, and outdoor concerts were weekly events, and the Student Activities Office organized special activities such as a whitewater rafting trip, a bus to Boston for a Red Sox game, and brought a skydiving simulator to campus. Although the annual lobster bake, a favorite Short Term event, was cancelled due to high lobster prices, the Outing Club came through with a very well-attended lobster and clam bake at Popham Beach.

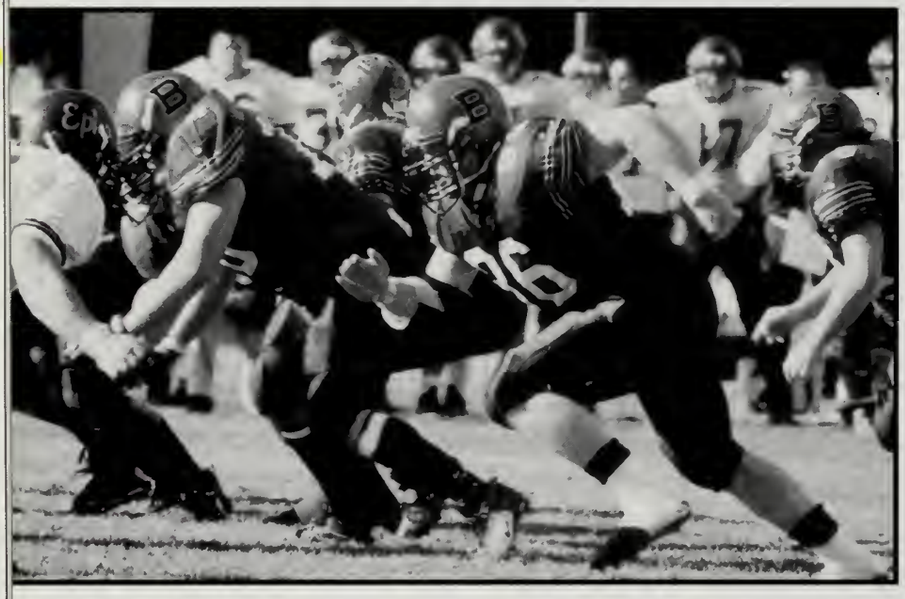
SPORTS



Football

A youthful and charismatic group of men represented Bates College on the gridiron this past year. Despite the losing record, the Bobcats put up impressive numbers against the likes of Wesleyan, Trinity and Williams. Under the leadership of Robert Rosenthal the team had four All-NESCAC selections. Defensive lineman Ryan Gray, and place-kicker Rejean Guerriero were named to the first team. Sophomore running back Sean Atkins was named to the All-NESCAC second team, and don't forget about first-year linebacker Pat Foley being named NESCAC Defensive Rookie of the Year. The future looks bright for the improving Bobcats.

Volleyball

This year, we reached what has been a team goal for the past 3 years by making it to the NCAA tournament. While we were very successful throughout the season, making it to the sweet 16 in the NCAAs was our greatest achievement. We overcame various obstacles this season, and ended it feeling proud of our accomplishments and closer to our teammates.

Women's Soccer

In just our second game of the season, we beat New England-ranked Amherst 2-1 in overtime. This victory led to an increase in team confidence and camaraderie. We were 6-2 upon entering the 9th game of our season, where we beat Williams, the #1 ranked team in the nation. Team unity and hard work enabled us to reach the ECAC finals, where we played our last game of a season that we will never forget.

Men's Soccer

The Men's Soccer team had a very competitive season this year. With a well rounded crew the Bates Bobcats leapt into action every game. Their NESCAC record of 2-6-1 and overall record of 6-7-1 does not reflect the skill and determination of this team. While the passing of the senior class will no go unnoticed the team looks forward to a bright future in seasons to come.

Rowing

The Rowing team capped off its second season with very strong performances for both the men and the women. This large team of rowers maintained discipline throughout both fall and spring seasons. Their commendable efforts in the spring just goes to show how much training they put in over the long, cold winter months. The harshness of the winter kept these Bobcats off the rivers for a while in the spring, but that still did not stop both men and women's teams having their boats out at nationals. It's good to see that even in this program's infancy the teams perform so superbly. The seniors will be sad to see their teammates off, but wish them the best of luck for many years to come.

Field Hockey

While this may not have been the most successful season in history, this year's field hockey team made major strides both as a team and as individuals. Ficks again earned All-American honors as goalkeeper. By the end of the season, we proved ourselves to be a team with the ability, the heart, the determination, and the desire to be one of the best teams in the league. We learned a lot from our losses, and we know that our successes will carry over into next season. Nicole and Peggy thank and wish luck to the whole team and remind them that determination and desire will take them far.

Cross Country

The Men's XC team had a solid season led by only two seniors Balicki and Magué. Easter '03 qualified individually for nationals. This team was very close both in competition and camaraderie. They are grateful to the seniors for everything they've done for the past four years

The Bates Women's cross country team was very strong in terms of talent, depth, and spirit. The main success of the team was attributed to the high level of committment, support, and enthusiasm every runner contributed to practices, races, and team building. Having seen the extraordinary way the team was able to remain strong and optimistic in the face of any adversity, it is clear that Bates Women's cross country will continue climbing higher, always running for each other.

Women's Tennis

With new ground being broken on the Wallach Tennis Center the Women's Tennis team was anxious to get out on the courts. The team displayed powerful unity and support throughout the season for their teammates. The departing seniors hope that the team will utilize their new facility next year and carry Bates Women's Tennis through the 21st century.

Golf

The Bates Golf team started a new season off this year with new Head Coach Ric Mackey. Bates had multiple scorers in almost every competition. Strength in the team came from seniors Dan Snow and Dave Vensel. However there was a lot of good young talent coming from the underclass as well with sophmores Melissa Wilcox and Doug Aho performing well along with first-years Andy Kadin and Daisy Fischer. Although the swings of the missing seniors will be felt next year, the team is in good hands and looks bright for the future.

SCOREBOARD

Front: Natasha Robinson, Kirstin Marshall, Melissa Wilcox.

Women's Basketball

Posting an overall 18-9 record and being 8-3 in NESCAC, it was obvious that the team performed exceptionally well this season. Senior Co-Captain Kate McLaughlin racked up honors by being named NESCAC Player of the Year as well as being named an All American and scoring her 1,000th point this season. The hole created by the departure of seniors McLaughlin and Katy Dutille will hopefully be filled by the up and coming new talent of the younger Bobcats.

Men's Basketball

The hoopsters finished their season off with an overall 13-11 record. They set a new team record with 9 straight wins in the middle of the season. Other highlights include four inductees to the 1,000 point club: senior Rommel Padonou, juniors Billy Hart, Alex Wilson, and Ed Walker. Walker was also named to the second team All NESCAC for his efforts this season. The Bobcats hope that they can still remain on top of their game after losing Padonou, the only senior.

Swimming & Diving

This was another great year for Bates Swimming and Diving. Both the men's and women's teams posted better records than in previous seasons. The women beating Tufts was a key victory and a long-time goal of ours, while the men also pulled out a big win against Babson. The inaugural NESCAC Championship meet went well and gave us an opportunity to bring more athletes than in previous years by eliminating the New England Championships time cuts. Sophmore Meg Ferrari won both the 50 and 100 yard breaststroke events and was joined by Adam Bowden and Junior Andrew Hastings in earning All NESCAC honors. Hastings again represented Bates in the NCAA Championships where he garnered his 6th All-American mark for diving, becoming the most decorated athlete in school history. All of us graduating will miss the closeness of the team and all of the memories of the past four years!

Squash

The Men's Squash team gave a solid effort in this season. They were rewarded with some very good matches and competition. With co-captain Sean Doherty being the only senior graduating, the team looks forward to having many experienced players next year.

This season was supposed to be a building year for Bates Women's Squash after graduating five of the top nine players of the 1999-2000 season. However, with the help of some strong first-years and the incredible improvement of the returning players, we were able to maintain our national ranking of 13th. Overall, it was a great season, especially for Aisha Shah, who was named All-American.

Indoor Track & Field

The Men's Track team still managed to have a very competitive season despite the loss of last year's strong senior class. Junior co-captain Jaime Sawler qualified for nationals for the first time in his career in one of this season's highlights. Next year's team will miss the contributions of departing seniors such as Zwick, Jackson and Mague, but nothing can keep these Bobcats down for long.

The Women's Track team had a respectable season. With a large crop of first-year athletes the team should go far in the future. The departing seniors wish the team the best of luck in seasons to come.

Alpine & Nordic Skiing

Alpine: One of the best winters in years brought the Bobcats great conditions and a memorable season, highlighted by two All American skiers: Kyle and Kimmy. This season was particularly special for the eight seniors who wrapped up a total of more than a century of combined skiing experiences.

Nordic: It was a great year for Bates Nordic Skiing. There was tons of snow and lots of great skiing. With only four seniors we had a young squad leading the way and improving with every carnival. Throughout the season we had numerous skiers reaching personal records and in the end we had two skiers at Nationals in Middlebury, VT: Jane Marshall and Justin Easter. It was a great season and the future is bright for the next few years.

Nordic Seniors: Dave Bergart, Alanna DeNapoli*, Chris Lyon, Scot Sawyer*. **Sophomores:** Kat Bennett, Justin Easter, Emily Gove, Mollie Holt, Jane Marshall, Dennis McGillicuddy, Jonathan Riley, Nathan Rodgers. **First-Years:** Andy Hardy, Abbie Harris, Katie Lantz, Heidi Webb, Andy Whitaker.

Women's Lacrosse

The women's lacrosse team excelled this year in team play and camaraderie. They also posted an overall 9-8 season with an appearance at the ECAC tournament. Senior captain Erin Flynn scored her 100th point early in the season. By the end of the season she earned 2nd team all NESCAC praise with first-year Carrie Smith. This was the most successful lacrosse season in the past 6 years for the Bobcats. Their 6-0 start to the season got them a national ranking and sent them to postseason play for the first time since 1995. This was a team of true competitors who knew how to play and also go out and have a good time. The four seniors will miss their years of play at Bates, but wish them the best of luck in coming seasons.

Men's Lacrosse

The fightin' Bobcats were thrilled to have new head coach Peter Lasagna at the helm this year and posted a record of 6-7 with NESCAC wins over Tufts and Colby. Bates had not beaten Colby in 14 years. However, an overtime loss to Trinity kept the Bobcats out of the NESCAC tournament. The team loses only three players to graduation and is confident that the upcoming season will be a great one. Senior Captains Aaron Sells and Chris Buckley were both selected to play in the NEILA East-West Senior All Star Game, and Buckley was named second team All-NESCAC for his play on defense.

Softball

Under the direction of Coach Gwen Lexow the Bates College Softball team finished their 2001 season with the most wins in team history. During their preseason they competed against some of the top teams in the nation in Florida and Maryland which set a precedent for their 15-5 record within their region. The Bobcat's defense was anchored by the dynamic pitching duo of Ginger Walsh and Krissie Whiting. Offensively, Laura Lent finished her career with the most hits in school history. During the past four seasons captains Jennifer Googins, Laura Lent and Anna Wulffleff helped the Lady Bobcats accumulate the most wins during any other four year stretch in school history. In the coming years the team hopes to build on their recent successes as they compete for the NESCAC championship.

Baseball

The baseball season was one of ups and downs. Senior co-captain Ben Bines earned second team All-NESCAC honors for his offensive production. The climax of the season came against Endicott College where Kevin Walsh ended a solid career by leading the Bobcats to a 3-2 victory. It was this type of performance that earned Kevin the distinction of being the Ace of the Bates pitching staff and allowed the seniors to go out with a win while giving the younger guys something to build on.

Men's Tennis

The Men's Tennis Team continued to improve this year, coming closer to their goal of reaching the Elite Eight National Championship. The team lost three senior starters last year, but bounced back because of strong recruiting and depth. The season was highlighted by close wins over Amherst, College of New Jersey, and rivals Tufts and Colby. The team was led by Captain Chris Danforth and junior NESCAC finalist Ben Lamanna, who finished the season with a 15-1 record at 5th singles. Coach Gastonguay was awarded the NESCAC Coach of the Year award for his hard work.

Women's Track & Field

The women's track team had another fun season of running, throwing, and jumping around New England. The team was stable during competition and performed well in the post-season. Sophmore Abby Anthony represented the women's team at nationals after winning the Open New England Championship in the 10,000 meter run. She got her second career All-American title at the NCAAs as well this year. More than anything the team became very close by the end of the season and that will help their team build up for next year. Both men and women's teams are anxious to start hosting meets on the new outdoor track next season.

Men's Track & Field

The track team took advantage of the tremendous opportunities it was presented with this season. Even with the loss of last year's strong class these Bobcats didn't miss a step. A major team highlight was the 2nd place finish at the NESCAC Championships. After winning it last year it was thought that Bates would fall to the back without putting up a fight. The season ended with a trip to the NCAA's for Senior captain Erik Zwick, junior captains Greg Hurley, Jaime Sawler, and sophomore Justin Easter. Zwick narrowly missed the finals in the 400, but still got a PR; Hurley also put in a stong effort in his first trip to the big show. Sawler and Easter both became All-Americans. Easter's second outdoor trip to nationals also got him the school record in the steeplechase. Even though this year's senior class was not very big there were a lot of points scored by all captains Zwick, Kevin Jackson, and Steve Mague. Their poise and leadership will be missed.

Seniors
Last year at Bates ....

NIKE

SIERRA CLUB LEGAL
DEFENCE FUND

Senior Week

Many activities were planned to celebrate the last week at Bates for the class of 2001. Monday kicked off the week with the famous pub crawl, followed by senior barbeques, a day at Range pond, the senior-faculty dinner, and champagne semi-formal. These events allowed seniors to commemorate their last days of college with friends, family, and mentors.

SingProp

Senior Week

Pub Crawl

The traditional Pub Crawl brought out the creative side of seniors as they paired up in wacky costumes and ran and drank their way through Lewiston before returning back to campus to the cheers of fellow students. Throughout the race and ensuing Puddle dip the rain did not dampen the high spirits of the class of 2001.

15

I AM A
KANGAR

Senior Week

Midnight Madness

Midnight Madness brought hundreds of students to party for one last time with their classmates under the Library terrace. Plenty of pizza and over 30 kegs of beer kept seniors celebrating long into the morning. The dawn trek to the summit of Mount David marked the end of the festivities and the beginning of Commencement morning.

THE MIRROR

The 2001 Mirror took another step in a new direction. With the addition of the Underclass Section and promotion of the book to all classes the Mirror looks to expand its audience to the entire Bates community. The two editors again slaved many long afternoons and nights throughout the year to put together what you see before you. We can't count the number of hours we spent in the office, on the computer, on the phone, and in the post office to put this yearbook together, but if you like what you see then it was all worth it. Besides our work The Mirror received a lot of help from sources both inside and outside of Bates that we'd like to thank.

We greatly appreciate the help of Mark Maserjian and the staff of Portrait Imaging Co. for coming in to take senior portraits, and the crew at Jostens for doing another wonderful job of publishing the book, especially Cole Harris, Kristen Ellerbe, and Sandy Moses for showing us the ropes and trying to help us improve the book every year. Cole was instrumental in helping us decide how to further market the book and keeping us up to date in the world of publishing. Camera Service Center of Lewiston was key in developing our pictures, making copies and enlargements whenever we needed them.

At Bates our gratitude goes out to Adam Levin and the College Relations Office for their sports team photos, the captains of all the teams for writing the blurbs and identifying team photos, Gudrun Mirick for lending us her zip drive over the summer, and the Office of the Registrar for providing address labels and lists of the senior class. Thanks especially to the seniors themselves for providing so many of their memories of Bates in picture form so we could share them with everyone in this book. Finally, our faculty advisor, Gene Clough, was there again for us ready to contribute with anything we needed and lending us his years of experience.

Next, how could a yearbook be produced without the student staff hard at work? Our talented photo editor Allyson Melchor did a fabulous job filling these pages with pictures of sports, campus-wide events, and candids of the 2000-2001 school year. Her crack staff of photographers Leslie and Lindsay came through for us countless times with terrific photos of faculty/staff, arts, and underclass pictures. Asad Butt was generous enough to lend us his images from the newspaper to fill in some gaps with sports and clubs. The help of seniors Allyson and Asad is irreplaceable and will be sorely missed in the office next year. Our young layout staff of Tory, Chris, and Suzy did a bang up job creating and typing up the senior section, working on sports, and providing any assistance that we needed. Their help in taking some of the stress away from laying out the entire book is much appreciated by the editors.

Lastly we'd like to thank the senior class and parents for giving us a reason for making this yearbook in the first place. A lot of time and energy went into this project and we hope we captured the most memorable moments of this past year.

Albert & Megan

THE STAFF

Editors-in-Chief: Albert M. Haber, Megan Simmons
Photo Editor: Allyson Melchor

Photographers: Leslie Shages, Asad Butt, Lindsay Harvey
Layout: Tory Peterson, Chris Eckhoff, Suzy Eldridge
